Upon authorized execution

CLASSIFICATION

CONFIDENTIAL - LEGAL

LEGAL STATUS

Purpose, Scope and Controlled Use

Customer-specific commercial order for CertaMaris subscriptions and services.

This document has been populated with CertaMaris standing business, platform, security, privacy, AI and commercial positions. It remains a reusable execution template because the actual counterparty, transaction, fees, dates, signatures, jurisdictional corporate particulars or other deal-specific facts vary by engagement. Those fields must be completed before execution.

CertaMaris standing facts used by this document

- Service model: negotiated business-to-business contracts; no consumer or self-service signup model is assumed by these documents
- Platform: browser-based B2B maritime cybersecurity, compliance, assurance, risk-intelligence and operational-resilience SaaS platform
- Customer owns Customer Content; CertaMaris receives only rights needed to provide, secure and support the Services.
- High-sensitivity cyber posture and vessel/facility technical content is treated as Customer Confidential Information.
- Security reporting: security@certamaris.com
- Procurement/legal-document requests: <https://certamaris.com/contact?intent=procurement>

Transaction-specific fields intentionally left for execution include the actual CertaMaris legal entity and formation jurisdiction (if not already established in the Order Form), counterparty identity, addresses, signatory names/titles, signature dates, commercial scope/fees, and any negotiated governing-law or venue choice.

TERMS / NOTICE

Operative Provisions

CertaMaris-specific standing content for this controlled release.

1. Customer and Contract References

The applicable transaction document identifies customer, CertaMaris entity, governing MSA/Terms and effective date. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

2. Subscription Scope

The applicable schedule lists modules, fleet/vessel/facility scope, users, environments and service tier. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

3. Term and Renewal

The Agreement begins on the effective date stated in the applicable Order Form and continues while an Order Form remains in effect. Unless an Order Form states otherwise, a subscription renews for successive 12-month periods unless either party gives at least 30 days written notice before the then-current term ends. Either party may terminate for material breach not cured within 30 days after written notice for a material breach capable of cure.; the payment cure period is 10 days after written notice for nonpayment of undisputed amounts.. CertaMaris may suspend access for material security risk, unlawful use, Acceptable Use violations, or nonpayment, using reasonable efforts to limit impact. Insolvency and other non-curable termination rights apply as stated in the Agreement and applicable law.

4. Fees and Billing

Fees, subscription scope and billing frequency are stated in the applicable Order Form. Invoices are due Net 30 unless the applicable Order Form states otherwise. Overdue undisputed amounts may accrue a late charge at the lesser of 1.5% per month or the maximum rate permitted by law. Customer is responsible for applicable sales, use, VAT and similar transaction taxes other than taxes based on CertaMaris's net income, subject to valid exemption documentation. CertaMaris may suspend affected Services for unpaid undisputed amounts after 10 days after written notice for nonpayment of undisputed amounts. to the extent permitted by the Agreement.

5. Implementation and Dependencies

The applicable instrument states onboarding dates, customer prerequisites, integrations and assumptions. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

TERMS / NOTICE

Operative Provisions

CertaMaris-specific standing content for this controlled release.

6. Service Levels and Support

No public uptime or service-credit guarantee applies unless a signed Order Form or SLA expressly provides one. CertaMaris will use commercially reasonable efforts to operate the Services reliably. Support channels, severity targets, maintenance windows and any service credits are contractual only when stated in the applicable Order Form or SLA. Service levels exclude circumstances outside CertaMaris's reasonable control, customer systems or misuse, third-party outages not under CertaMaris control, planned maintenance, force majeure and preview/beta features unless the SLA states otherwise.

7. Security and Data Protection

CertaMaris will maintain reasonable safeguards appropriate to the nature and sensitivity of Customer Content. The current baseline includes tenant isolation, role/object-scoped access, authenticated access, TLS, provider-managed encryption at rest, controlled privileged access, audit/change history, operational logging, separated environments, secure development practices, vulnerability/dependency tooling, backups and incident response. MFA and SSO/SCIM are not represented as universally current. Formal SOC 2 or ISO 27001 certification is not claimed. Personal-data processing on Customer's behalf is governed by the DPA.

8. Special Terms

Record negotiated deviations expressly; avoid undocumented side terms. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

9. Order of Precedence

The applicable instrument states precedence between Order Form and incorporated documents. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

10. Signatures

This instrument may be executed in counterparts and by electronic signature to the extent permitted by law. The CertaMaris signatory must be authorized under the company's then-current delegation of authority. Counterparty names, addresses, signatory names/titles and signature dates are completed at execution and are intentionally not pre-populated in the reusable template.

DOCUMENT CONTROL

Execution, Publication and Revision Record

Reusable records remain controlled; customer/counterparty signatures are completed only for the actual transaction.
