LEGAL STATUS

Purpose, Scope and Controlled Use

Limited evaluation or proof-of-concept agreement for CertaMaris services.

This document has been populated with CertaMaris standing business, platform, security, privacy, AI and commercial positions. It remains a reusable execution template because the actual counterparty, transaction, fees, dates, signatures, jurisdictional corporate particulars or other deal-specific facts vary by engagement. Those fields must be completed before execution.

CertaMaris standing facts used by this document

- Service model: negotiated business-to-business contracts; no consumer or self-service signup model is assumed by these documents
- Platform: browser-based B2B maritime cybersecurity, compliance, assurance, risk-intelligence and operational-resilience SaaS platform
- Customer owns Customer Content; CertaMaris receives only rights needed to provide, secure and support the Services.
- High-sensitivity cyber posture and vessel/facility technical content is treated as Customer Confidential Information.
- Security reporting: security@certamaris.com
- Procurement/legal-document requests: <https://certamaris.com/contact?intent=procurement>

Transaction-specific fields intentionally left for execution include the actual CertaMaris legal entity and formation jurisdiction (if not already established in the Order Form), counterparty identity, addresses, signatory names/titles, signature dates, commercial scope/fees, and any negotiated governing-law or venue choice.

TERMS / NOTICE

Operative Provisions

CertaMaris-specific standing content for this controlled release.

1. Evaluation Scope

The applicable transaction document identifies modules, users, vessels/assets, data and environment. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

2. Evaluation Term

The applicable transaction documents set start/end and no automatic production continuation. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

3. Permitted Use

Limit to internal evaluation and prohibit production reliance unless agreed. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

4. Customer Data

The applicable instrument states ownership, permitted processing and deletion/export at end. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

5. Confidentiality

Each party will protect the other's Confidential Information using at least reasonable care and will use it only to perform or exercise rights under the Agreement. Customer vulnerability findings, network-zone maps, remote-access pathways, technical inventories, cyber plans and actual security posture are Customer Confidential Information. CertaMaris methodology, non-public product architecture, security materials and commercial terms are CertaMaris Confidential Information. Standard exclusions apply for information lawfully public, previously known without duty, independently developed, or rightfully received from a third party. Confidentiality duties continue for five years after disclosure or termination; trade secrets remain protected for so long as they qualify as trade secrets under applicable law. Required legal disclosures are permitted with notice where lawful.

6. Security

The applicable agreement references baseline security and customer responsibilities. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

TERMS / NOTICE

Operative Provisions

CertaMaris-specific standing content for this controlled release.

7. Fees / No-Charge Evaluation

Fees, subscription scope and billing frequency are stated in the applicable Order Form. Invoices are due Net 30 unless the applicable Order Form states otherwise. Overdue undisputed amounts may accrue a late charge at the lesser of 1.5% per month or the maximum rate permitted by law. Customer is responsible for applicable sales, use, VAT and similar transaction taxes other than taxes based on CertaMaris's net income, subject to valid exemption documentation. CertaMaris may suspend affected Services for unpaid undisputed amounts after 10 days after written notice for nonpayment of undisputed amounts. to the extent permitted by the Agreement.

8. Feedback

The applicable agreement or schedule defines voluntary feedback rights. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

9. No Production SLA / Warranty

The applicable instrument states evaluation limitations and appropriate disclaimers. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

10. Liability

Except for Excluded Claims, each party's aggregate liability is capped at the fees paid or payable under the affected Order Form during the 12 months preceding the event giving rise to the claim. Liability for breach of confidentiality, data-protection/security obligations, and CertaMaris IP indemnification is capped at two times the general liability cap. Payment obligations, fraud, willful misconduct, and liability that cannot lawfully be limited are not subject to the contractual caps to the extent stated in the Agreement. To the maximum extent permitted by law, neither party is liable for indirect, incidental, special, consequential, exemplary or punitive damages or lost profits, revenues, goodwill, business opportunity or anticipated savings, even if advised of the possibility, except to the extent an express indemnity requires payment of third-party amounts.

11. Conversion

The applicable instrument states that production use requires executed commercial agreement. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.
