LEGAL STATUS

Purpose, Scope and Controlled Use

Advisory services, equity/cash compensation, confidentiality and IP terms.

This document has been populated with CertaMaris standing business, platform, security, privacy, AI and commercial positions. It remains a reusable execution template because the actual counterparty, transaction, fees, dates, signatures, jurisdictional corporate particulars or other deal-specific facts vary by engagement. Those fields must be completed before execution.

CertaMaris standing facts used by this document

- Service model: negotiated business-to-business contracts; no consumer or self-service signup model is assumed by these documents
- Platform: browser-based B2B maritime cybersecurity, compliance, assurance, risk-intelligence and operational-resilience SaaS platform
- Customer owns Customer Content; CertaMaris receives only rights needed to provide, secure and support the Services.
- High-sensitivity cyber posture and vessel/facility technical content is treated as Customer Confidential Information.
- Security reporting: security@certamaris.com
- Procurement/legal-document requests: <https://certamaris.com/contact?intent=procurement>

Transaction-specific fields intentionally left for execution include the actual CertaMaris legal entity and formation jurisdiction (if not already established in the Order Form), counterparty identity, addresses, signatory names/titles, signature dates, commercial scope/fees, and any negotiated governing-law or venue choice.

TERMS / NOTICE

Operative Provisions

CertaMaris-specific standing content for this controlled release.

1. Advisory Services

The applicable agreement or schedule defines non-fiduciary scope, expected availability and no authority to bind. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

2. Term

Start, duration and termination. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

3. Compensation

Cash, equity or no-fee arrangement; reference separate equity grant if applicable. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

4. Expenses

Pre-approval requirements. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

5. Confidentiality

Each party will protect the other's Confidential Information using at least reasonable care and will use it only to perform or exercise rights under the Agreement. Customer vulnerability findings, network-zone maps, remote-access pathways, technical inventories, cyber plans and actual security posture are Customer Confidential Information. CertaMaris methodology, non-public product architecture, security materials and commercial terms are CertaMaris Confidential Information. Standard exclusions apply for information lawfully public, previously known without duty, independently developed, or rightfully received from a third party. Confidentiality duties continue for five years after disclosure or termination; trade secrets remain protected for so long as they qualify as trade secrets under applicable law. Required legal disclosures are permitted with notice where lawful.

6. Conflicts and Compliance

Each party will comply with laws applicable to its performance, including applicable export-control, sanctions, anti-bribery and anti-corruption requirements. Customer will not use the Services for prohibited end users, embargoed activity, unlawful intrusion or safety-critical control. CertaMaris is a workflow and assurance technology provider; it does not issue class, flag-state or regulatory approvals and does not provide legal advice.

TERMS / NOTICE

Operative Provisions

CertaMaris-specific standing content for this controlled release.

7. Intellectual Property

CertaMaris and its licensors retain all right, title and interest in the Services, software, APIs, Documentation, templates, user-interface designs, control mappings, methodology, Cyber Resilience Twin framework, generalized know-how, and improvements that do not identify or disclose Customer Content. Customer receives only the rights expressly granted in the Agreement. Feedback may be used without restriction provided CertaMaris does not identify Customer or disclose Customer Confidential Information.

8. Publicity

Public statements must be accurate, avoid implying certification or customer endorsement, respect confidentiality and customer brand requirements, and comply with CertaMaris's opt-in publicity position. CertaMaris will not use a customer name or logo in public marketing without affirmative permission, except where the customer separately authorizes such use in writing.

9. Independent Relationship

No employment, benefits or agency. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

10. Liability / Indemnity

Tailor to advisory risk. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

11. General and Signatures

This instrument may be executed in counterparts and by electronic signature to the extent permitted by law. The CertaMaris signatory must be authorized under the company's then-current delegation of authority. Counterparty names, addresses, signatory names/titles and signature dates are completed at execution and are intentionally not pre-populated in the reusable template.

DOCUMENT CONTROL

Execution, Publication and Revision Record

Reusable records remain controlled; customer/counterparty signatures are completed only for the actual transaction.
