Purpose, Scope and Controlled Use

This document has been populated with CertaMaris standing business, platform, security, privacy, AI and commercial positions. Those fields must be completed before execution.

CertaMaris standing facts used by this document

- Service model: negotiated business-to-business contracts; no consumer or self-service signup model is assumed by these documents
- Platform: browser-based B2B maritime cybersecurity, compliance, assurance, risk-intelligence and operational-resilience SaaS platform
- Customer owns Customer Content; CertaMaris receives only rights needed to provide, secure and support the Services.
- High-sensitivity cyber posture and vessel/facility technical content is treated as Customer Confidential Information.
- Security reporting: security@certamaris.com
- Procurement/legal-document requests: <https://certamaris.com/contact?intent=procurement>

Transaction-specific fields intentionally left for execution include the actual CertaMaris legal entity and formation jurisdiction (if not already established in the Order Form), counterparty identity, addresses, signatory names/titles, signature dates, commercial scope/fees, and any negotiated governing-law or venue choice.

7. Moral Rights

Waiver/consent only to extent permitted. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. 9. Governing Law

Operational notices may be sent through the Services or business email contacts. Formal notices of material breach, termination or legal process must use the notice details in the applicable Order Form or executed agreement and may also be routed through <https://certamaris.com/contact?intent=procurement> for triage. The applicable Order Form controls governing law and venue. If it is silent, the Agreement is governed by the law of the U.S. state in which the CertaMaris contracting entity identified in that Order Form is organized, without regard to conflicts rules, and exclusive venue lies in the state and federal courts located in that jurisdiction. The parties may agree to arbitration, jury waiver or another forum in the Order Form; no separate mandatory consumer arbitration regime is created by this baseline.

10. Signatures / Notarization

This instrument may be executed in counterparts and by electronic signature to the extent permitted by law. The CertaMaris signatory must be authorized under the company's then-current delegation of authority. Counterparty names, addresses, signatory names/titles and signature dates are completed at execution and are intentionally not pre-populated in the reusable template.
