23 August 2026

STATUS

CONTROLLED EXECUTION TEMPLATE

DOCUMENT OWNER

Commercial / Legal

APPROVER

Authorized CertaMaris Signatory

DOCUMENT PURPOSE / KEY MESSAGE

Provides a controlled reseller/channel framework covering authorization, customer contracting model, pricing, brand use, support, compliance, data and termination.

EFFECTIVE

Upon authorized execution

CLASSIFICATION

CONFIDENTIAL - LEGAL

LEGAL STATUS

Purpose, Scope and Controlled Use

Channel terms for authorized resale of CertaMaris subscriptions and services.

This document has been populated with CertaMaris standing business, platform, security, privacy, AI and commercial positions. It remains a reusable execution template because the actual counterparty, transaction, fees, dates, signatures, jurisdictional corporate particulars or other deal-specific facts vary by engagement. Those fields must be completed before execution.

CertaMaris standing facts used by this document

- Service model: negotiated business-to-business contracts; no consumer or self-service signup model is assumed by these documents
- Platform: browser-based B2B maritime cybersecurity, compliance, assurance, risk-intelligence and operational-resilience SaaS platform
- Customer owns Customer Content; CertaMaris receives only rights needed to provide, secure and support the Services.
- High-sensitivity cyber posture and vessel/facility technical content is treated as Customer Confidential Information.
- Security reporting: security@certamaris.com
- Procurement/legal-document requests: <https://certamaris.com/contact?intent=procurement>

Transaction-specific fields intentionally left for execution include the actual CertaMaris legal entity and formation jurisdiction (if not already established in the Order Form), counterparty identity, addresses, signatory names/titles, signature dates, commercial scope/fees, and any negotiated governing-law or venue choice.

TERMS / NOTICE

Operative Provisions

CertaMaris-specific standing content for this controlled release.

1. Appointment

The applicable agreement or schedule defines non-exclusive/exclusive status, territory and products. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

2. Resale Model

The applicable transaction document specifies whether reseller contracts with customer or acts as agent/referral source. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

3. Orders and Acceptance

The applicable agreement or schedule defines order submission and CertaMaris acceptance. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

4. Pricing and Discounts

The applicable transaction documents set reseller discount, price protection and prohibited commitments. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

5. Customer Terms

Require approved customer terms and no unauthorized warranties. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

6. Branding and Marketing

Public statements must be accurate, avoid implying certification or customer endorsement, respect confidentiality and customer brand requirements, and comply with CertaMaris's opt-in publicity position. CertaMaris will not use a customer name or logo in public marketing without affirmative permission, except where the customer separately authorizes such use in writing.

TERMS / NOTICE

Operative Provisions

CertaMaris-specific standing content for this controlled release.

7. Support Responsibilities

The applicable agreement or schedule defines L1/L2/L3 support and escalation. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

8. Data Protection

The applicable agreement or schedule defines customer personal data roles and DPA requirements. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

9. Security

Require secure handling of credentials and customer information. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

10. Compliance

Each party will comply with laws applicable to its performance, including applicable export-control, sanctions, anti-bribery and anti-corruption requirements. Customer will not use the Services for prohibited end users, embargoed activity, unlawful intrusion or safety-critical control. CertaMaris is a workflow and assurance technology provider; it does not issue class, flag-state or regulatory approvals and does not provide legal advice.

11. Reporting and Records

Pipeline, sales and audit records. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

12. IP and Confidentiality

Protect CertaMaris IP and confidential information. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

TERMS / NOTICE

Operative Provisions

CertaMaris-specific standing content for this controlled release.

13. Term / Termination

The Agreement begins on the effective date stated in the applicable Order Form and continues while an Order Form remains in effect. Unless an Order Form states otherwise, a subscription renews for successive 12-month periods unless either party gives at least 30 days written notice before the then-current term ends. Either party may terminate for material breach not cured within 30 days after written notice for a material breach capable of cure.; the payment cure period is 10 days after written notice for nonpayment of undisputed amounts.. CertaMaris may suspend access for material security risk, unlawful use, Acceptable Use violations, or nonpayment, using reasonable efforts to limit impact. Insolvency and other non-curable termination rights apply as stated in the Agreement and applicable law.

14. Liability / Indemnity

Allocate unauthorized representations and misconduct. CertaMaris and the counterparty will apply this requirement consistently with the Agreement, CertaMaris security and data-classification controls, and applicable law. Transaction-specific names, amounts, dates, territories, deliverables, approvals and jurisdictional choices are completed in the Order Form, SOW, schedule, notice or execution block as applicable rather than pre-populated in this reusable form.

15. General / Signatures

This instrument may be executed in counterparts and by electronic signature to the extent permitted by law. The CertaMaris signatory must be authorized under the company's then-current delegation of authority. Counterparty names, addresses, signatory names/titles and signature dates are completed at execution and are intentionally not pre-populated in the reusable template.

DOCUMENT CONTROL

Execution, Publication and Revision Record

Reusable records remain controlled; customer/counterparty signatures are completed only for the actual transaction.
